

## REMARKS

Claims 22, 24-46, 49-57, 59-61 are allowed.

Independent claim 58 stands rejected as being anticipated by Kaufman (US 5323301). However, independent claim 58 is amended by the allowable limitations of dependent claim 59 (claim 59 canceled in this response), and therefore, independent claim 58 is now in allowable form.

Moreover, the limitations of independent claim 58 (before the amendment of this response) are combined with the allowable limitations of dependent claim 60 (claim 60 canceled in this response) resulting in new independent claim 62. Accordingly, new independent claim 62 is in allowable form.

This application is now believed to be in immediate condition for allowance, and action to that end is respectfully requested. If the Examiner's next anticipated action is to be anything other than a Notice of Allowance, the undersigned respectfully requests a telephone interview prior to issuance of any such subsequent action.

Respectfully submitted,

Dated: 3-31-11
